* The Library was fortunate to not have any flood damage from the flooding that occurred in Fond du Lac in March. We were able to help out businesses that we displaced by allowing them to use meeting spaces to continue to conduct some of their business.

* The Library is still having issues where the original roof and the addition meet. A seal of the 3rd set of the windows on the 2nd floor in that area will hopefully take care of this issue.

* During April or May, the process of moving the seagull eggs will start in the hopes of eliminating the seagull issue.

* Work on multiple heat pumps and a few other heating issues have been taken care of.

* Letcher brought up the newspaper article he saw regarding the old Elks building opening a café and possibly coordinating with the Library in some way. Bolthouse shared that the owners of Annie’s Fountain City Café will be working with ModTruss on the café, and the Library may work with them in holding book clubs there, and giving Chapter 52 Gift Certificates for their grand opening.

* Mark Arend asked Bolthouse to speak at a listening session with Senator Feyen and Representative Thiesfeldt on April 4th. He is not able to attend, so he was looking for board members who may be able to attend and speak on our behalf. Kolstad offered to speak, and Simon and Koch said they would also attend.

8. Old Business: None
9. New Business:
A. DPI Annual Report and Statement of Effectiveness for Winnefox: Motion to approve the DPI Annual Report and Statement of Effectiveness for Winnefox: Koch; second: Morrell; carried by unanimous voice vote. Bolthouse shared with the board that DPI has accepted the PLSR statement and published it. No action has been taken yet. Bolthouse informed the Board that he will be on the search committee to find Mark Arend’s replacement.

* Block arrived 4:52.

10. Other: Kolstad read the proclamation for Catherine Block and presented it to her, as this is her last meeting with the Board.
