

Downtown Fond du Lac Scavenger Hunt

Fond du Lac Public Library

There have been sightings of several *DRAGONS* around the state of Wisconsin!

There are 12 dragons pictures at different state's landmarks. Find these pictures in different businesses around the downtown area. Each picture will have the place where the dragons have been seen (write downs the landmark, not where you found the pictures). Put them in the right order in the answer sheet and bring it to the Children's Desk at the Public Library for a prize!

Rules: For children 12 and under, to be completed only once. All the dragons that need to be found will be in the area between Johnson Street & 4th Street, and Macy Street & Marr Street.
