

**Supplies needed**

- Fleece fabric 2" wide x 10" long
- 24" long piece of string
- Jingle bell
- Dowel rod
- Scissors
- Hot glue gun

Directions

1. Fold the fleece in half lengthwise.
2. Make little cuts all the way down the length of the folded fleece, but be sure not to cut all the way to the fold.
3. Unfold the fleece and tightly roll it.
4. Thread a jingle bell onto the string and tie the string with the bell tightly around the middle of the roll.
5. Smoosh it into a ball shape.
6. Wind the string around the end of the dowel a few times and secure it with hot glue.
