

What is the Scrabble Bee?

Teams of up to four people play Scrabble (with a twist) for fun and prizes.

How does it work?

- Teams work together to get the most number of points in two rounds (20-min & 15-min).
- Awards go to the two highest-scoring teams in each level.
- Each team gets a regulation Scrabble board & bag of 100 tiles. Standard Scrabble rules apply with exceptions as noted.
- Each team gets a starting word at the beginning of each round. The starting word must be placed on the board with the first letter on the center square.
- The twist: In round 2, 10 tiles will be removed at random from each team.
- Also: Using the name of a Scrabble Bee sponsor is allowed (even though it's a proper noun), and you'll get 50 extra points. Sponsor names will be provided at the event.
- Teams are encouraged to familiarize themselves with the complete rules, which will be emailed to the registrant prior to the event. Copies will be on tables at the event.

Competition Levels:

Fond du Lac
Literacy
Services

Fond du Lac Literacy Services provides free one-on-one tutoring for adults who struggle with reading, writing, math or learning English.

Working with volunteer tutors, students learn basic literacy skills such as reading a prescription, writing a letter or balancing a checkbook.

Literacy and underemployment are connected. People with low literacy have a hard time getting work and often struggle to keep jobs once hired. FDL County's unemployment rate in June 2024 was 3.0% (Bureau of Labor Statistics). An estimated 7.7% of county residents live in poverty (U.S. Census Bureau). Adults living in poverty are more likely to have lower literacy scores than adults with higher incomes. The cycle of unemployment and low literacy is difficult to break without programs like Fond du Lac Literacy Services.

Fond du Lac Literacy Services currently has over 100 students working with tutors to improve their literacy skills. Literacy equals opportunity!
