Our library has been working so hard to serve our community during the last few months! They were also able to provide an exciting Summer Reading Program (with Faris Popcorn!) in spite of all the limitations! The Friends of the FDL Public Library has provided funds to cover the Summer Reading Program for the last several years and will do so again this year.

The Friends of the FDL Public Library have missed meeting, planning activities, and volunteering, but are grateful to have the resources available at this time to donate to the library. We have suspended meetings, dues collection, and fundraising for now, but plans to resume as soon as the library is fully reopened. Your membership dues have been waived for this operating year, but if you choose to donate at this time, you may find forms at the library or leave donations there. We would be grateful!

Let's continue to support and celebrate our library!

The Executive Committee,  
Kay Conrad, Barb Sewall, Sylvia Smith
