

## What is Homebound Delivery?

The Fond du Lac Public Library coordinates free library delivery service to persons who are unable to visit the library due to physical limitations.

Volunteers are matched with one or two homebound persons, and they learn what their homebound person likes to read and watch. They select and deliver materials to their homes once or twice a month. Or, if the volunteer prefers, library staff can select materials.

## Who can volunteer?

- Persons 18 or older with a valid driver's license and insured personal transportation
- Persons who can devote two to three hours per month
- All volunteer applicants must agree to background check and attend short orientation session

## Who is eligible for delivery?

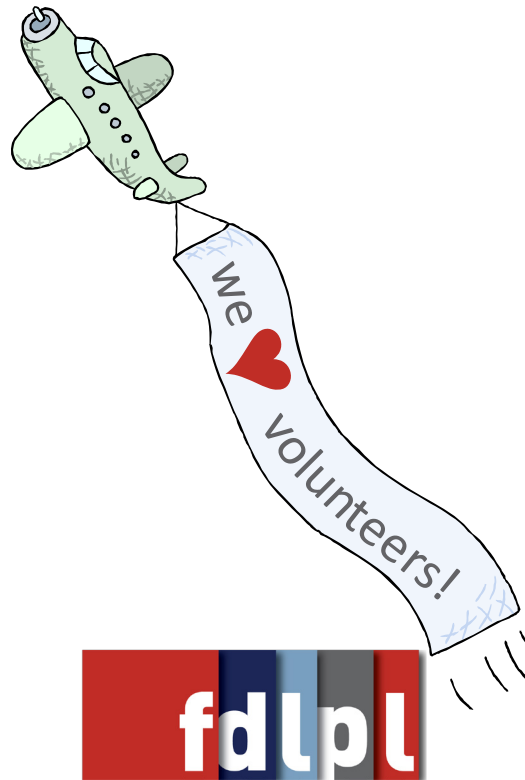

- Homebound residents of the city of Fond du Lac
- Persons living in assisted/extended care facilities
- Persons who temporarily are homebound due to accident or illness

## What materials are available?

All library materials are available to homebound persons, including large and regular print fiction and nonfiction, books on CD, DVDs, music CDs, magazines and more.
