Dear Friends,

Vice President
Karla Donohue

Our library is a vital part of our community, providing resources for schools, businesses, and individuals and providing hours of pleasure and enlightenment through programs and materials. We gather there for meetings, educational programs, story time, research, and even for a sewing circle. The library provides advice on taxes, financial planning, history, travel, electronics and hobbies. We strongly support the role of the library in the Fond du Lac area.

With your generous support and donations, Friends continues to sponsor the Summer Reading Program, a wonderful opportunity for children and adults to expand their reading enjoyment and proficiency. All funds raised by Friends go toward library projects and activities.

We invite you to join us at the Friends Annual Meeting on Wednesday, May 7th, at 6:00 p.m., in the McLane Room at the library. We are privileged to have local wildlife photographer, Robert Haase, as our featured speaker. Mr. Haase has retired from a long career in photography, media, conservation, writing and involvement with numerous committees and organizations, and now shares his photography and love of nature through his presentation, "The Beauty of Nature Through the Eyes of a Photographer". There will be a very brief business meeting and refreshments will be available.

We appreciate your support,

The Friends Board
